

# *Classroom Party Contribution*

Parents and Guardians,

This year PTA is implementing a few changes to help make teachers and room parents' lives a little easier, and hopefully more fun for our kids. To do so, we need your help!

We are asking that each parent/guardian donate \$20 towards each of their child's classroom party expenses. This fee will go to cover ALL of the school parties for ALL of the classes for the entire year.

Due to lack of funds collected in the past, not all classrooms have been able to provide the same kind of party for their students. PTA is hoping that with changing up the money collection process, we will be able to provide fun class parties for each and every class at our school.

We are also changing up the end of the year party format. Instead of the traditional classroom party format that we will have in the winter, we will be renting out inflatables and have popsicles. Each class will get a time slot to spend time outside on inflatables.

Fifth grade parents: We are changing up the end of year festivities for fifth graders. Fifth graders will enjoy the inflatables along with the other grade levels, AND we will have a special end of the year field trip, on which more information will be coming soon.

To make your donation, we would prefer money to be sent in one of two ways; either via our paypal link <https://www.paypal.me/sugarhilllonghorns> (you MUST put your child's name and teacher under add a note), or by check made out to Sugar Hill Elementary PTA (you can write one check for multiple kids, just be sure to include all the kids' names and teachers when sending in). While we will accept cash, it's much harder to keep track of and runs the risk of being lost, so please be sure to send it in a properly labeled and sealed envelope with your child's name and homeroom teacher.

We **greatly** appreciate your help in making this an amazing school year! Please contact PTA Vice President, Kate Kelly, at [katie.s.kelly@gmail.com](mailto:katie.s.kelly@gmail.com) with questions.
